Thank you for your commitment to our schools!

It is the policy of the Center Point-Urbana Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact Mr. Jon Hasleiet, 202 West Main St, Urbana, Iowa, 319-849-1102, jhasleiet@cpuschools.org. **Policy Concerning Confidentiality**

For those of us working with children and in schools, the importance of maintaining a student’s privacy cannot be stressed enough. As you work in the school, you may be entrusted with student education records and personally identifiable information about students. As an education community, we must be committed to keeping what we see and hear to ourselves.

Students deserve the assurance and certainty that their private information will remain confidential. Because of this, all volunteers working in the schools are required to adhere to an agreement of confidentiality. By signing the *Volunteer Registration Form*, you agree to maintain the confidentiality of all student records that you generate or have access to.

**Code of Ethics for Volunteers**

- **Dependability**: Be dependable. The teachers and staff have planned activities for you and the students. If something comes up, please be considerate of those depending on you, and notify the volunteer coordinator and/or the appropriate school office as early as possible.
- **Support**: As a school volunteer, you will be in a support position. Your role is to support the classroom teacher and the principal of the building since they are responsible for the education of the students. When attending field trips, your responsibility is to provide reinforcement for the classroom teacher, so bringing younger children is discouraged as it will distract from being a support person for the teacher.
- **Communication**: Your volunteer work should be a learning experience for you. When you have questions about policies and procedures, ask the
appropriate person—the teacher, the principal, or the volunteer coordinator.

- **Confidentiality:** You may have access to confidential information. Remember that all information pertaining to a child must remain in the school. A breach of a school confidence may be cause for termination from the volunteer position.

- **Attitude:** Come to school with a positive attitude, one that will say to the students, “You are special. I’m glad that I have an opportunity to work with you.”

**Volunteers Should Not**

- Supervise a class or discipline students.
- Establish instructional objectives.
- Assume it is acceptable to bring younger children with them to their volunteer assignment. Always check with the teacher and/or volunteer coordinator to make sure it is appropriate.
- Make comments regarding the relevancy of activities or procedures.
- Make comments regarding the appropriateness of teaching materials.
- Contact parents regarding the appropriateness of teaching materials.

**General Information**

- **Arrival Information:** Please check in with the building secretary when you arrive.
- **Identification:** For the safety of our students, we ask that you always report to the school office before you begin your day. Obtain and wear an identification badge.
- **Sign In:** You must sign in and out of the Visitor Book, located at each school office. Also report your volunteer hours on the Volunteer Hours Report.
- **Volunteer Hours:** Each building principal reports the number of hours volunteered at each school each month. These hours are used to develop volunteer history, evaluate effectiveness, document achievements, apply for grants, and recognize our volunteers! Please remember to regularly document your hours.
- **Volunteer Hours Off-Site:** Those volunteers who complete work at home should also keep a record of their volunteer hours. This information should be communicated directly to the building secretary by telephone or by email.
- **Attendance and Punctuality:** Teachers and staff plan for volunteer assistance. Students depend on you. Please volunteer for only the time you can realistically expect to fulfill. If you need to be absent, call the teacher you are working with and/or the school office as early as possible to inform them of your absence.
- **Dress Code:** Please dress according to school guidelines. Remember that you are a role model for our students.
- **Field trips:** No younger siblings are allowed on field trips
