

To the parents of incoming 6th graders!

Time to make plans for next fall!

September 15, 16, and 17, 2021

Each year the sixth grade students go on a 3-day campout. It is time for you to think about joining us. We need volunteers to help us make the program successful. You can stay with us all three days or just a few hours. Plan ahead and take some vacation time to spend some quality time with your child. Please join us in this educational experience. We will have sign-up *next fall*.

Possible jobs:

Group leader-follow a group of students during the day.

Kitchen help-prepare food, serve food, clean-up.

Spend the night-we need at least 26 parents each night.

Transport equipment. Help teach a session.

If you have any questions please feel free to email Lori Leedom, 6th Grade Campout Coordinator. lleedom@cpuschools.org.
