

Directions to Area Schools
for
Center Point-Urbana Athletic Events

Grades 7th-12th

August 2010

Provided by the
CPU All-Sports Booster Club

The purpose of the CPU All-Sports Booster Club of Center Point-Urbana Community School is to promote the interests of the interscholastic athletic Program at CPU Middle and High School

1. by underwriting the cost of those expenses of the extra-curricular program which the school by-law is restricted from paying.
2. by sponsoring various money raising projects for the purpose of raising revenue to carry on the program of the association.
3. by providing assistance to school officials in the conduct of various interscholastic athletic programs and activities.

This booklet provides directions for finding various locations for the 7th through 12th grade activities. These directions provide one of several possible routes for each location. If you find any errors in these directions, or have any suggestions for improving this booklet, please contact a member of the CPU Booster Club. We do plan to periodically update this booklet, adding directions to additional locations. We hope to see you there supporting our young people!

(Distance in miles and drive times are approximate from CPUHS)
