

School Dining System

The School Dining System is our hot lunch program. As a parent, you can login to see your household account, check your balance and even set daily limits for your child's spending. If you have an e-mail account, you can be advised when the account balance is running low. If you do not have a login for the School Dining System or wish to set up the low balance notification, please contact Lunch Clerk Beth Seltrecht at 849-1102 ext. 3113.
